BRIEF BIOGRAPHY

two selected for showing, the other a New Zealand painter. Was included in Touring Exhibition of "Student Print-Makers" sponsored by State Galleries in Australia. Held his First Solo Exhibition at Gallery One Eleven, Brisbane, Queensland, Australia.

1972: First Solo Exhibition in Malaysia at the Samat Art Gallery.

Kok Yew Puah, the fourth son of a Klang business-man, Enche' Puah Chen, comes from a distinguished family. His eldest brother is Professor of Pure Mathematics at the University of Indiana, USA, another brother is Professor of Electrical Engineering at Monash University, Melbourne, Australia. His third brother is studying Commerce at the University of Indiana, and his younger brother a student at the Anglo-Chinese School, Klang. He has two sisters, one of whom has completed studies in Economics before going overseas. Yew Puah himself is the only artist in the family; his extra-mural interests are theatre-and-concert-going and his favourite recreation is table-tennis.
